Important Information

Throughout his life Jesus told parables to help the people understand what the Kingdom of God was like and to invite people to join his kingdom..

These Biblical stories or parables, such as the stories of The Great Banquet and the Unforgiving Son tell Christians they should accept God's invitation to become part of his kingdom and not to be distracted by things in the world.

In the parable of the Unforgiving Son a young man was given his inheritance by his father but when a great famine came he lost all of his money and he went back to his father who forgave him and welcomed him. In this, Jesus taught that forgiving people is at the heart of what it is to be part of God's kingdom.

Christians follow what Jesus told them to do and many of them will challenge unjust social structures in their local area and around the world by supporting charities that help those less fortunate than themselves.

By acting as Jesus told them to, Christians believe that they will have salvation and will be able to be near to God as the events of the Fall meant that people fell away from God.
