As the Spring Term comes to an end, it is always a time to reflect. We have had a wonderfully productive term with academic learning taking pride of place alongside some fabulous curriculum opportunities for the children.

What a busy final week we have had. On Monday, Pippin Class hosted a Mother's Day afternoon tea for their families. The children shared poems, sang songs and enjoyed delicious scones and cakes with the special ladies in their lives. The children created heart wreaths and flower crafts to take away. It was such a lovely afternoon!

Our younger children have also had the chance to share their work from their learning experience – *Into the Deep*. We all enjoyed listening to the 'Rockpool Rock' as well as seeing such brilliant Artwork inspired by Matisse.

Today, Bramley and Russet Class have shared their bridge designs and Artwork with Pippin Class, explaining all about their understanding of perspective drawings.

What a lovely range of Easter bonnets we saw at the beginning of the week. Thank you to all those that joined us. The school continues to be filled with such wonderful Easter singing and we are looking forward to our Easter service in the church this afternoon.

Thank you to everyone who responded to our recent parent questionnaire which was overwhelmingly positive. We will collate and share these responses on the school website shortly.

As we finish for the term, I'd like to take this opportunity to wish all our children, staff and families a very happy, safe and peaceful Easter break. We look forward to welcoming the children back to school on **Wednesday 23rd April**.

Attendance Matters

This week our attendance is 96.7%

Well Done Medals

Pippin Class – Confidence - Orla

For her fantastic non-chronological report on Stingray! It was beautifully presented and well thought out. Well done Orla!

Bramley Class – Confidence – Gee

For developing her confidence during English and Maths lessons, showing that she is an active learner and always trying hard to ask and answer questions throughout her lessons. Well done Gee!

Headteacher: Mrs E. Marshall
Email: office@lovington.ppat365.org

Russet Class – Confidence - Dexter

Through applying a positive approach to completing algebra questions. Following the steps we practised to find the correct answers. Well done Dexter!

Pippin Class

Kelcee - 25 reads

Barney - 150 reads

Bramley Class

Raff - 150 reads

Russet Class

Dexter - 25 reads

Harry H - 75 reads

Kindness Cup

This week our kindness cup is awarded to Alice. For being a good friend on the playground and checking her friends are happy or checking to see if they would like to join in the games that she is playing.

Thank you Alice!

This week, we reminded ourselves about the Easter Story in preparation for our church service. The children learned about the key events that lead to Jesus' crucifixion and his resurrection on Good Friday. We reflected on the sacrifice that Jesus made for everyone here on Earth.

Communication:

As we move into the Summer Term, we will be working to streamline the communication channels we have at school. Therefore, we will be moving away from the use of Class Dojo. This is to ensure that all communication goes directly to the school office so that it can be passed on to the correct staff members.

The active use of parent mail will be maintained and alongside the school's website will be the primary source of information for parents.

We also remind our families that daily messages or queries can be written in the space provided in the children's reading records and that all staff are available at the end of the school day for any quick queries about daily or future events.

Reading

The importance of reading to and with children can never be underestimated. Reading matters.

“Children who read are more likely to be happier, healthier and experience better mental wellbeing and self-esteem.”
