Dear Parents and Carers,

I am writing to notify you of the changes ahead with regards to the residential trip for 2026 to Barton Hall. This will be offered to children in Years 5 and 6 in conjunction with Evercreech CofE Primary School.

Our Year 3 and 4 children will be offered the opportunity to take part in an alternative day of Outdoor Adventures during the summer term of 2026.

We recognise the financial implication for families towards the payment of residential trips for four consecutive years. In addition to this, we continue to strive towards providing the very best opportunities for each and every year group, ensuring that all pupils benefit from enriching experiences that support their personal development and broaden their horizons.

This alternative Outdoor Adventures Day will be carefully planned to offer exciting and challenging activities, encouraging teamwork, resilience, and a love for the outdoors, all within a cost-effective framework. Further details, including dates, activities, and pricing, will be shared in due course.

Thank you for your continued support as we aim to make these experiences accessible and rewarding for all children.

Yours sincerely,

*Emma Marshall*
