6.6.2025

It has been lovely to welcome everyone back to school this week and to see how quickly the children have all settled. We are looking forward to a busy and productive term. Already we have seen the children's enthusiasm grow as they have begun their new learning experiences. Do take the time to look at your child's curriculum newsletter, as this will have details about the learning taking place as well as the hooks, the outcomes and the take home tasks that we ask the children to complete with you at home. These have all been sent out via ParentMail this week.

This week Pippin Class have been recording their own television programmes about the History of Lovington School. The children had to use evidence to explain how they knew certain things have changed or stayed the same. They were fabulous!
We've got some budding presenters here at Lovington.

This week the children have been thinking about Peace, how peace is not just about quiet or stillness — it's about living in harmony with others, feeling calm inside, and helping to create a world where people care for one another.

We have thought about how peace begins with us and how we can bring peace to the world.

"Blessed are the peacemakers, for they shall be called the children of God."
(Matthew 5:9)

Well Done Medals

Book Talk

Headteacher: Mrs E. Marshall
Email: office@lovington.ppat365.org

As the children returned this week, it was wonderful to have so many come and tell me about the books and stories they have enjoyed over half term. Please do keep talking to your children about their books. What new adventures are they going on in their imagination? Please do support us on our ongoing drive on reading.

Times Tables Rockstars

Congratulations to our TT Rockstars 3 Top Players -

1st place – Raff with 10, 223 points

2nd place – Dorothy with 8,709 points

3rd place – Roksana with 1,282 points

Well done everyone!

Please continue to support the use of Times Tables Rockstars at home as well as at school. This is a fantastic tool to develop your children's number skills. The rapid recall of number bonds in KS1 and times tables in KS2 is vital to ensure your child continues to make progress in Maths.

Kindness Cup

This week our kindness cup is awarded to Isaac, for always being polite, kind and making the right choices everyday.

Thank you Isaac!

Attendance Matters

This week our attendance is 96%

Attendance and punctuality really do matter. Not only, does it establish good habits and routines for your child's future but missing mornings or whole school days can affect a child's mental wellbeing and academic standards.

Safeguarding:

We take child protection extremely seriously at our school. If you have a concern, you can speak to any of the school's designated and trained child protection officers:

Mrs Marshall

Mrs Dallard

Mr Macdonald

Mobile Phones

For the safeguarding of all our children, a polite reminder that mobile phones are not to be used on the playground when collecting children. Thank you for your support with this.
