What a wonderful production we have seen this week. The children from Bramley and Russet Class truly dazzled as they displayed their incredible talents in their production of *Alice*.

With Sandra taking on the lead role, she led the cast with confidence and flair through every twist, turn, and song of the story. Lines by every cast member were delivered with confidence and clarity, the dancing was full of energy, and once again the singing from the children of Lovington was nothing short of outstanding. Well done everyone!

We are extremely proud of you all.

This week, the children have taken part in carefully planned transition activities in preparation for moving into their new classes in September. They have had the opportunity to learn about the new learning experience that awaits them and have created pieces of artwork that will be proudly displayed in their new classrooms when they return in the autumn term.

As we come to the end of a busy and successful year, it is a perfect time to reflect on all that we have achieved; not only in terms of academic success, of which there have been many, but also in the wide range of accomplishments beyond the classroom. From sporting triumphs to musical and drama performances, and most importantly, the personal growth and confidence we see developing in our children every day.

Thank you for your continued support and we wish everyone a lovely summer break. We look forward to welcoming the children back to school on Wednesday 3rd September.
