On Monday, the children in Bramley and Russet classes enjoyed their hook day. The children enjoyed a morning of storytelling, where they heard songs and stories from around the world. The morning began with an Aboriginal tale about a whirlwind that could take human form. Everyone had the opportunity to tell their own story about the most beautiful thing they had ever seen. The children shared amazing tales about all sorts of things from the sea to sunsets, and even a cheese sandwich! We heard stories from so many different countries and cultures as well as singing a song in Hindi. It was a fantastic morning, and the children were inspired to write their own imaginative tales.

Pippin Class has been busy this week, continuing to settle back into our school routines. Our EYFS children have enjoyed making use of the outdoor space despite the rain, making up shows to perform for each other. Our children in Years One and Two have been reading *Stanley's Stick* and exploring the field to find their own magic sticks, thinking of wonderful things they could be used for, and writing about them during their English lessons.
