Friday 19th September 2025

Dear Parents and Carers,

As you know, Year Six is an important stage in your child's primary education, culminating in the KS2 SATs scheduled for May 2026.

To help you understand the process and how best to support your child, we will be holding a SATs information meeting on Wednesday 1st October, at 3:30pm in the school hall.

During the meeting we will:

- Outline the tests your child will take
- Explain how we are preparing them in school
- Describe how the tests are administered and what SATs week will involve
- Share practical ways you can support learning at home

We will also provide examples of past papers and recommend helpful websites and revision materials.

Thank you for your continued support and we look forward to seeing you there.

Yours sincerely,

Sarah Matthews

Mrs Sarah Matthews
