**17.10.2025**

Pippin Class headed into the great outdoors for their autumnal wellie walk this week. They had great fun looking at all the leaves that are changing colour, as well as spotting other signs of autumn like conkers, apples on trees and a horse chestnut tree which had lots of conkers underneath. The children then spent some time looking at the local church and talked about all the celebrations we have there.

Throughout the walk our KS1 children were directing one another using the maps they had created of the village in their Geography lessons. They were able to identify the key features on their map and correlate them with where we were in the village. Well done Pippin Class!

In maths this week, Russet Class have been working really hard on division. They have been able to apply their times table knowledge confidently and have made super progress as a result. Well done everyone.

After hearing a wide range of tales from around the world, Bramley Class have begun to plan and write their own tale. They have thought carefully about the language features needed as well as developing characters using action and speech.

In music lessons, our older children have been playing the notes G, A, B and C on glockenspiels, chimes and bells. They sang and played their instruments to accompany a song called Hands,

Feet, Heart. It was lovely to see such strong teamwork and collaboration.

Thank you to all the parents who attended our recent parent meetings and took the time to complete the parental questionnaire. At our school, we deeply value the partnership between home and school and recognise that working together is key to supporting every child's success.

We are delighted with the overwhelmingly positive feedback we have received. The results of the questionnaire will be shared on our school website shortly.

If any parents have further questions or concerns that they would like to discuss, please don't hesitate to contact the school - we are always happy to listen and work together to ensure the best outcomes for all our children.

**Well Done Medals**

## **Pippin Class – Motivation – Jonty**

For his continued effort with his writing, making sure he is using his phonics knowledge to accurately sound out words. Well done Jonty!

## **Bramley Class – Motivation – Angus**

For continued effort in maths, developing his rapid recall of multiplication facts. Well done Angus!

## **Russet Class – Motivation – Harry**

For showing great determination to make progress with division this week. Well done Harry!

## Attendance and Punctuality

This week our attendance is 97.7%

Our school day starts at 8:50 am. Punctuality is a vital habit that reflects respect, responsibility, and a readiness to learn. Arriving on time ensures that children begin their day calmly and are fully engaged from the very first lesson. Being punctual shows consideration and does not distract the learning of others. At our school, we value punctuality as an essential part of building a positive learning environment where everyone can succeed together.

Thank you for your support with this.

## Safeguarding

Our safeguarding officers at Lovington Primary School are Mrs Marshall, Mrs Small and Mrs Dallard.

If you have a concern about the welfare of a child, please speak to our school's designated and trained child protection officers.

At half term, we will be saying goodbye to Mrs Cook, who will be leaving her role at Lovington Primary School. We would like to thank her for the time, care, and commitment she has given to the school, and we wish her every success and happiness in her next chapter.
