They played brilliantly, winning their first two games and coming 2<sup>nd</sup> in their group. Overall, they came in 4<sup>th</sup> place after the semi-finals. **The Boy Who Stole the Pharaoh's Lunch** By Karen McCombie

This is a brilliant story about a boy who finds himself in ancient Egypt in a village by the Nile, Seth finds himself working for tradesmen and enjoys playing with the local children. But when he steps in to save a pet hyena, that was destined to be roasted, as part of a feast for the visiting pharaoh, Seth decides to save him. However this risks turning the villagers against him. Will he ever be able to escape and find his way back to his own time?
