Headteacher: Mrs Emma Marshall, BA Honours, PGCE

Tuesday 6th January 2026

Dear Parents/Carers,

Adverse weather

At this time of the year severe weather, especially snow, is becoming possible. We will endeavour to keep the school open, but as many of our staff have to travel some distance to work this may not always be possible. If insufficient staff can get to the school, food cannot be provided for the children who have hot meals or if the heating breaks/pipes burst, then regrettably we will have to close.

The decision to shut the school is never taken lightly; shutting will always be the very last resort. Mrs Marshall will consult with Mr Paddock and the school office staff, to assess the school grounds and ascertain the local weather conditions.

If the school does need to close due to adverse weather conditions, you will be notified in the following ways:

- Via ParentMail email from the school office
- Via the home page of our school website
- Information will be broadcast on the following local radio stations:
 - BBC Somerset or Heart Somerset

We will provide schoolwork for the children via the school website. Each class has a page on the school website where class teachers will set work.

[Lovington C of E Primary School - Remote Learning](#)

How you can help us:

- Please check your email for a ParentMail announcement before calling the school.
- Please ensure you give the school office any new mobile or landline number and check that pick-up lists for your child/children are up to date.

Thank you for your continued support.

Yours sincerely

Emma Marshall

Mrs Emma Marshall
