

How well do you know your multiplication facts?

X	2	3	4	6	8	10
0						
1						
5						
7						
8						
9						
11						
12						

Use the square paper to find the answers, using either the partitioning method **or** the column method.

a)  $45 \times 3 =$

b)  $62 \times 4 =$

c)  $68 \times 8 =$

d)  $57 \times 4 =$

e)  $741 \times 3 =$

f)  $546 \times 4 =$
