

How well do you know your multiplication facts?

X	2	3	4	6	8	40
0						
1						
5						
7						
8						
9						
11						
4						

Use the square paper to find the answers, using either the partitioning method **or** the column method.

a) $245 \times 3 =$

b) $662 \times 7 =$

c) $368 \times 8 =$

d) $257 \times 9 =$

e) $741 \times 9 =$

f) $546 \times 7 =$
