Pippin Class

This week, Pippin Class have been learning about Neil Armstrong. We have been thinking about his mission to the moon and why this was a significant event. We talked about how it pushed technological advances, making people design and invent new things, that hadn't been done before. We discussed how it paved the way for future exploration and encouraged the world to work together rather than individually.

Russet and Bramley Classes

On Monday, our oldest children visited Ecco Gelato and Sherborne Abbey. They learned all about the process of making gelato and tasted a range of flavours. They will use this knowledge throughout the half term while they plan and then make their own ice creams. The children were then wowed by the beautiful Sherborne Abbey. Back at school, they were able to make comparisons between Sherborne Abbey and St. Peter's Church in Hornblotton as part of their history work.

Well Done Medals

Value – Gratitude

On Wednesday, Mrs Small led a mindfulness worship. This focused on exploring a range of strategies that can be used in school and at home to support emotional regulation. The children spent time learning about and practising different mindfulness exercises, reflecting on how these techniques can help them to manage their emotions effectively.

Thank you, Mrs Small.

"Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful"
Colossians 3:15
