27.03.2026

This week, we have seen some truly incredible take-home projects arrive at school. Following their Geography work, the children have created an impressive range of outcomes, including beautifully designed posters, engaging PowerPoint presentations, and some outstanding 3D sculptures - featuring erupting volcanoes and even a swirling tornado!

Wow - what a fantastic effort from everyone. Well done!

# Thank you!

Thank you to everyone for their generous Easter egg donations for our bingo event this Saturday. We look forward to seeing you there.
