Dear Parents,

I am pleased to inform you that from next week onwards (23.9.2024), we will be able to resume our after-school club provision on Tuesdays.

If you would like to book your child/ren in to these sessions, please contact Mrs Ryall in the usual way. In addition to this, we have been reviewing our provision and I am delighted to inform you that we will be timetabling in some exciting 'themed' after school club sessions.

Our first themed after school clubs will be:

### **An Italian Extravaganza – Wednesday 2<sup>nd</sup> October**

The children will have the opportunity to make pizza, an Italian dessert and take part in an Italian based quiz.

### **Secret Agents Solving Mysteries – Wednesday 16<sup>th</sup> October**

An exciting range of mysteries, puzzles and problems will be presented to the children.

I am sure these will be a great success and I look forward to sharing further details of these sessions as the term progresses.

Yours sincerely

*Emma Marshall*
