KS2 School Trip

Field to Food Learning Day

Dear Parents,

We are excited to share with you that last week we were offered a place for our KS2 children at the Bath & West Showground's annual Field to Food on **Wednesday 23rd April 2025**.

The aim is for children to gain a greater understanding of farming, food production and the countryside. The children will visit a range of informative zones including food and drink, feed and crop, pigs and poultry, machinery, countryside, sheep and wool and more. In each zone children will be able to experience a variety of activities related to various topics.

We will leave school at 9.10am and return to school at 3.20pm.

Children will need to bring a packed lunch or can select one to be provided by Beech Catering.

On the day children will be required to wear full school uniform, however they are recommended to wear comfortable walking shoes e.g. trainers, please ensure that your child also brings a coat to school that day.

There is no cost for this trip due to the Bath and West reimbursing our travel costs.

Please confirm you are happy for your child to attend by **5pm on Thursday 3rd April**.

Please note that there are additional permissions required for the event below, including food tasting and photography.

We look forward to a fun filled day for our KS2 children.

Kind regards
Mrs Small
