Monday 9<sup>th</sup> December 2024

Dear Parents and Carers,

I am delighted to let you know that Lovington Primary School is now part of the Preston Primary Academy Trust. This means that the school is no longer Local Authority maintained or part of the Fosse Federation of Schools. Instead, we are part of a wider group of schools in Somerset. We will continue our established links with Evercreech C of E Primary as well as creating further links with schools within the Trust.

We look forward to continuing to develop our school with the support of the Trust and everything it has to offer our children and staff. Our new office email is [office@lovington.ppat365.org](mailto:office@lovington.ppat365.org). Thank you for your patience during this period of IT migration. If you have sent an email to the old email address and have not yet received a reply, please do forward it to our new address so that we can respond.

Thank you for your continued support.

Yours sincerely

*Emma Marshall*

Mrs Emma Marshall

Headteacher
