Year 6 SATs

Our Year 6 children have completed their SATs this week and we are incredibly proud of them. All the children have shown determination, resilience, and positivity throughout the week and have worked so hard Well done Year 6, you have been fantastic!

Curriculum News

This week Pippin Class have been busy practising their country dancing ahead of the May Fayre tomorrow. The children have worked really hard to listen and learn their new dance routine.

In Science we've been learning about the structure of bees and the purpose of all the different parts of their bodies. We also explored their lifecycle, discovering that most bees only live for 5-6 weeks! We are looking forward to sharing more of our learning with parents later today.

While year 6 have been busy with their SATs Years 3, 4 and 5 have been exploring poetry. After working on their tone, intonation and volume, the children performed coastal poems brilliantly in their groups.

We are very much looking forward to our May Fayre **tomorrow from 12pm – 3pm** and warmly invite you to join us for what promises to be a wonderful afternoon of family fun. There will be a wide range of stalls and activities for everyone to enjoy.

The children are busy practising the Maypole Dancing and Country Dancing and are looking forward to performing at the Fayre.

If you are able to support the running of the May Fayre, we would greatly appreciate your help - please do get in touch. Events such as these play a

We send our sincere thanks to our PTA for organising so many wonderful events for everyone to enjoy, while raising invaluable funds that make a real difference to our school.

Support Little Steps as you shop!

Little Steps Toddler Group, North Barrow, has been chosen as one of the 3 charitable organisations you can support as you shop in Tesco's Shepton Mallet store. This will run through May, June and July as part of their "Stronger Starts" grant.

Once you've paid for your shop, you can help yourself to some blue tokens and put them into the Little Steps tube as you leave. The more tokens we gain the more money we make!

Whilst Little Steps continues to thrive, pulling families from all the local villages and further afield; we know our running costs threaten to unsettle this position. Reaching out for grants keeps us going.

We aim to provide regular support to local families with children under 5; a safe place to play with a healthy snack and the much needed cuppa and a cake for the carers.

*Fridays @ 10-11:30am, North Barrow Village Hall. Everyone is always welcome, just drop by! *
