Jesus told his followers many stories that helped them understand God. A story such as this is known as a parable.

An important story Jesus told was the Parable of the Lost Son, in this story a man has a son who leaves home and spends all of his money, he is often known as the prodigal son. When he goes home his father welcomes him home and is loving and forgiving to him.

This shows that God will forgive people who come back to him because he is loving and caring as he is The Father who created the world and everyone in it.

Anyone can ask God for forgiveness, and they will be welcomed back into God's family.

Jonah and The Big Fish

The story of Jonah tells Christians that God sent him to Nineveh to help the people understand what was holy so that they could worship God and he would forgive them for what they had done wrong.

These stories tell Christians that if they ask God to forgive them when they worship. They can ask him for help when they are sad or worried or they can tell him when they are happy.

Hi, my name is Thea and I'm interested in understanding religions, exactly like a theologian.

A theologian learns by asking questions about religions, beliefs and God.
