## Curriculum News

This week Pippin Class have been very excited to welcome some baby caterpillars into the classroom. Over the next few weeks, we will care for them and watch them grow into larger caterpillars, before a big change. We have been discussing how quickly we think they will grow and ultimately what type of butterfly they will become. Today, the children have also had lots of fun, learning all about Brazil and making Brigadeiro, a traditional Brazilian dessert.

Many children across the school have been completing assessments this week and we have been so proud to see such strong levels of motivation and effort. Well done everyone!

## RSE Consultation

Please see the letter sent recently via ParentMail, with regards to the parental consultation notifying parents about upcoming developments to Relationships and Sex Education (RSE) in line with revised Department for Education (DfE) guidance. We invite you to take part in a parental consultation by completing a short survey that will help inform our policy review process. Please can all surveys be completed by **Friday 19th June**. Thank you for your support.
