Curriculum News

Pippin Class immersed themselves in all things Brazil, during their Blooming Brazil hook day last week. The children began the day using atlases to identify Brazil and the surrounding countries on their maps. Afterwards, the children helped to make Brigadeiro – a traditional Brazilian dessert. Later in the day, we learnt all about Brazilian carnivals and how they are celebrated. We then created our own carnival masks and had a carnival in the classroom to showcase them. We rounded off the day by learning some Portuguese. What a fabulous day!

Sports Day

It was lovely to see the children demonstrate such enthusiasm, teamwork and sportsmanship throughout our Sports Day on Tuesday. It was wonderful to see so many encouraging one another, celebrating each other's efforts and achievements. We are very proud of the positive attitudes they demonstrated and the way they made the day enjoyable for everyone.

Well Done Medals

Pippin Class – Independence– Teddy for his brilliant efforts during sports day, taking part in all the activities and giving it his all! Well done Teddy!

Attendance Reminder for Parents and Carers

We would like to remind all parents and carers of the importance of regular school attendance. Every school day provides valuable learning opportunities, helping children to develop academically, socially, and emotionally. When children miss school, they not only miss important lessons but also valuable time with their friends and classmates.

Please be aware that, in line with government guidance, schools are required to consider issuing penalty notices to **both parents** where a child has five or more days of unauthorised absence within a specified period.

Where your child needs to attend a medical appointment during the school day, please inform the school in advance and provide evidence of the appointment, such as an appointment letter, text message, or screenshot of the booking confirmation. Wherever possible, we ask that appointments are arranged outside of school hours to minimise disruption to your child's learning.

We appreciate your support in ensuring that your child attends school regularly and arrives on time each day. Thank you for your cooperation.

Safeguarding

At Lovington Primary School, the safety and wellbeing of all our pupils is our top priority. If you have any concerns about a child's welfare, please speak to our Designated Safeguarding Lead (DSL), Mrs Marshall or Deputy DSL Mrs Small. Working together, we can ensure every child feels safe, supported, and happy at school.

Attendance

This week our attendance is 96.9%
