Summer Reading Challenge

Read to the beat! On Tuesday, we were delighted to welcome Laura from our local library to launch this year's Summer Reading Challenge. The children enjoyed learning about this year's exciting theme, the rewards on offer, and how they can take part during the summer holidays. Laura spoke enthusiastically about the importance of reading for pleasure and shared recommendations to inspire children of all ages and interests. Pupils were excited to hear about the wide range of books available and the opportunity to set themselves a personal reading goal over the summer.

We know that reading regularly is one of the best ways to maintain children's progress, build vocabulary, improve comprehension skills, and develop a lifelong love of books. Taking part in the Summer Reading Challenge is a fantastic way for children to stay engaged with reading while school is closed, so that they return in September ready for the new academic year. We hope that lots of children will take part and enjoy this challenge over the holidays.

Thank you to Laura for visiting our school and for motivating our pupils to keep reading over the holidays.
