On Monday afternoon and Wednesday evening, our KS2 children came together to perform their end-of-year production, *Robin and the Sherwood Hoodies*. It was fantastic to see such packed audiences, giving the children the opportunity to showcase their wonderful acting, dancing and musical talents.

We are incredibly proud of every child that took part. Their teamwork, determination and enthusiasm shone throughout the performance, and it was heartwarming to see our whole school community come together to celebrate their hard work, confidence and spirit.

A huge thank you to Mrs Matthews for her dedication and support, in helping every child achieve their best. Her hard work and encouragement played a significant part in creating such an outstanding production.

Congratulations to everyone involved - a truly memorable performance!

This week Pippin Class have been writing non-chronological reports about animals that live in the Amazon Rainforest. The children have used iPads and information texts to find out new information about their chosen creatures.

Milo learnt that jaguar means 'he who kills in one bite' because they have the strongest bite of all the big cats.

Matteo discovered that anacondas have nostrils and eyes on the top of their head, so that they can submerge their bodies and swim undetected by their prey.

Arabella enjoyed reading about how jaguars climb trees with their sharp claws so they can pounce on their prey whilst Kelcee researched macaws and found out that they use their beaks as a third hand, to help them climb trees.

It has also been wonderful to see a fantastic array of take home tasks from Pippin Class. Well done everyone!

On Thursday Year 6 had a fun filled morning enjoying their well-deserved leavers' treat at the Escape Rooms in Somerton. This enabled the children to create some wonderful memories with their friends as they celebrate the end of their primary school journey. The morning was filled with laughter, problem solving activities, excitement and fun, and it was a lovely opportunity for the children to enjoy time together before moving on to the next stage of their education.

We would like to thank our PTA and all our families that support our fundraising events for their generous support in helping to make this special treat possible – your continued fundraising and dedication are always greatly appreciated by the children.

## Leavers Service – Tuesday 21<sup>st</sup> July at 9.30am
