

Lovington
Church of England Primary School
SCHOOL DEVELOPMENT PLAN
2025 - 2026

PRIORITY 1: To achieve high standards in Reading, Writing and SPAG throughout the school and maintain strong rates of attainment across the school for all pupil groups. To develop levels of greater depth in KS2. Rationale: Following the schools' movement to the Preston Primary Academy Trust after the inadequate Ofsted judgement in October 2023, the leadership team from 2024 continues to maintain high expectations of quality first teaching so that all children reach standards of attainment in reading, writing, spellings, punctuation and grammar. The school staff are working closely with members of the Preston Primary Trust to continue to develop their practice and levels of high academic standards and expectations, demonstrating their commitment to the delivery of a high-quality education for all. 2 pupil achieved the (Early Learning Goals) ELG in all areas giving 100% National Average 68% Phonic screening – 100% (National average 81%) National Average 79% Yr 2 attainment: Reading – School - 80% (National Average 68%) GD – 60% (NA – 19%) Writing – School - 80% (National Average 60%) GD – 40% (NA – 8%) Maths – School – 100% (National Average – 70% GD – 40% (NA – 16%) Yr 4 Multiplication Check – 89% scoring 24 or 25 (out of 25) out of those pupils taking the check.	Success criteria ▪ The % of pupils meeting Age Related Expectations throughout the school must be at least in line with national averages: Year 2: Reading – 80% at ARE or above Writing – 80% at ARE or above SPAG – 80% at ARE or above Yr 6: Reading – 80% at ARE or above Writing – 80% at ARE or above SPAG – 80% at ARE or above ▪ The % of pupils reaching Greater Depth must be in line or above national averages. ▪ The % of pupils meeting the benchmark for the Yr 1 phonics screening must be in line with national averages (79% National average 2025 / School 100% - 2025) ▪ The % of Early Years pupils to achieve national averages in 'good level of development'. (National 68% 2025 / School 100% 2025) ▪ Standards in spelling & grammar to continue to improve throughout the school. This requires accurate assessment & recording of performance in spellings and effective teaching of strategies as well as the embedding of knowledge strategies to be adopted. ▪ All pupils understand their targets (or 'Next steps') and know how to improve. ▪ All staff are confident when teaching aspects of the National Curriculum and maintain high pupil outcomes.

KS2 SATS results: Reading – School - 100% (National Average 75%) SPAG – School - 67% (National Average – 73%) GD – 67% Writing – 100% (National Average 71%) GD – 33% Maths – 100% (National Average 74%)					
Sequence of tasks	Personnel/ Monitoring	Timescale	Resourcing	Expected Outcome	Review

Actioned

1.	Regular review of whole school data and clear benchmarks for all staff regarding starting points for all children.	EM SIP – PP All staff Full Governors	On going	Staff Meetings, Performance Management Meetings & Inset	Data on track throughout the school. Vulnerable groups identified and programmes/ specific interventions to be put in place.	Autumn Term Entry data completed in September with targets made for each child for Reading, Writing, Maths and SPAG. December assessments completed in each class. Spring Term Data across the school shows that pupil groups are making good progress. Interventions are reviewed and discussed with teachers during pupil progress meetings. Year 6 and SEND remains an area of focus. Summer Term Pupil progress meetings have been held in July, following the final assessment results. Progress and attainment has been analysed by all teachers. Transition meetings have been held, ensuring that next steps and interventions have been passed onto the new teacher so that interventions and focus groups can begin as soon as school starts in September.
----	--	---	----------	---	---	---

Actioned

2.	Identification of groups at risk of underperformance. Effective strategies and interventions planned to accelerate progress in these cases. Effective use of TA support for target teaching e.g. letter and handwriting, spellings and sentence structure.	All staff including HT/SENCo	On going	PPA time Teachers own analysis	Intervention strategies continue and effectiveness monitored so that adjustments can be made if needed. Improved outcomes for all pupils.	Autumn Term Groups identified during PP meetings and during September's staff meetings with interventions discussed with EM, class teachers and the SENCo. Inclusion strategies to be clearly identified on medium term plans for Spring term onwards. Spring Term With the ongoing absence of the school's SENDCo, Lovington has been supported by the Trust's SEND consultant. Teachers and leaders continue to monitor pupil groups carefully and interventions and TA support is in place to support these groups of children. Summer Term Pupil groups have continued to be monitored carefully this term. Interventions have been successful with many children demonstrating that they have made accelerated progress. Class target sheets and pupil books and assessments demonstrate this.
----	---	------------------------------	----------	-----------------------------------	--	--

Actioned

3. Track progress of pupils eligible for 'Pupil Premium Grant' (PPG). - Effective strategies, interventions and provision planned to accelerate progress. - To ensure that more disadvantaged pupils are at age related expectation or exceed expected levels of attainment so that the gap is closed between disadvantaged and non-disadvantaged pupils. - Reviewed by Governors to check effectiveness.	EM MS SM All staff	Termly Autumn 25 Spring 26 Summer 26	Pupil Premium funding	Pupils eligible for PPG make expected progress. Provision is effective, monitored regularly and adjusted if necessary.	Autumn Term Pupil Progress meetings identify children in receipt of PPG and attainment is carefully tracked. Interventions assessed and discussed, reactive and precision teaching interventions adopted to target 3 pupil premium children, in order to close the attainment gap. ED and EM to monitor. Inclusion strategies to be clearly identified on medium term plans for Spring term onwards. Spring Term PP groups are identified in pupil progress meetings. Extra reading and spelling interventions continue to support these groups of pupils. This will remain ongoing during the Summer Term. Summer Term PP groups continue to be identified in pupil progress meetings. Data for the end of year assessment shows that PP groups are as below:
--	---------------------------------------	---	------------------------------	---	--

Actioned

					73% at ARE or above in Writing (18% GD) 55% at ARE or above in Reading (18% at GD) 64% at ARE or above in Maths (27% at GD) 55% at ARE or above in SPAG (18% GD) 100% of all PP children have made 3 or more points progress in Reading, Writing, Maths and SPAG with many children making accelerated progress. Reading and spellings will remain a focus for PP groups in September.
--	--	--	--	--	---

Actioned

4.	Track progress of pupils eligible for the Service Premium Grant' (SPG). Effective strategies, interventions and provision planned to accelerate progress. Reviewed by Governors to check effectiveness.	EM MS SM All staff	Termly Autumn 25 Spring 26 Summer 26	Service Premium Budget	Pupils eligible for the service grant make at least expected progress and at least meet the expected standard.	Autumn Term 4 pupils - 75% of SPG children continue to reach ARE in all areas and with 25% showing levels of greater depth. <u>Spring Term</u> 75% of this group remain on track to reach ARE with 25% showing levels of greater depth. Continued support will remain in place during the Summer Term. <u>Summer Term</u> 75% of SPG pupils have reached ARE with 50% reaching greater depth in reading, writing and Maths.
----	---	---------------------------------	---	---------------------------	--	---

Actioned

5. Review pupils on the SEND (Special Educational Needs and Disability) register and in-line with SEND Code of Practice requirements. Continued review of all SEND procedures. Consider how best to support all learners in the classroom through quality first teaching, ensuring there are high expectations for all learners, especially SEN.	SENCo - ED (Governor – Hayley Dawkins)	Termly Autumn 25 Spring 26 Summer 26	Meetings with class teachers.	Staff aware of SEND updates and review practice. Staff have high expectations for the learning of SEND pupils. Improved awareness from staff as to how to move children's learning on. High quality interventions that show impact. Effectiveness of interventions and teaching is monitored by the Sendco and teachers. Planning is adapted to ensure that the work is engaging and meets the needs of all pupils.	Autumn Term ADPR's have completed Cycle 1 – showing that most children are achieving their individual targets. Where further progress needs to be seen, ED is working closely with class teachers, parents and SEND colleagues from across the trust to ensure that SEND procedures are regularly reviewed. Spring Term SEND pupils are regularly reviewed by teachers. All teachers have received a range of CPD this term, focusing on reading, SEND inclusion and ensuring that there are high expectations for all children. In the absence of the Sendco, the Trust SEND Consultant and advisors from the Tor school have worked with staff and children to develop teachers' expertise and knowledge enabling them to support all learners. Staff expect high quality outcomes. Interventions include active live marking to ensure that
---	---	---	--------------------------------------	---	--

Actioned

					staff have maximum input for all children. <u>Summer Term</u> The Trust SEND Consultant continues to work with staff within the school, observing pupils in lessons and meeting with parents. Teachers and LSA's continue to monitor pupils ADPR targets and provision maps. Pupil's books demonstrate differentiation in lessons through careful scaffolding, adaption of resources or being part of focus groups in class. Where concerns remain for small numbers of children, guidance from educational psychologists has been sought.
--	--	--	--	--	--

Actioned

6. Ensure staff consistently plan for and teach new vocabulary explicitly within writing lessons. Embed word-learning strategies (e.g. word of the day, context clues, word maps etc) to support independence. Provide pupils with repeated encounters of key words across subjects and contexts. Build structured opportunities for pupils to use new vocabulary orally and in writing to deepen retention.	EM MS SM All staff Evidence collected through planning scrutiny and lesson observations each half term. Monitored through vocabulary journals and writing samples.	On going	Training provided on strategies to develop new vocabulary. Teachers supported with resources to recycle and revisit words.	Fully embedded across all year groups by end of Autumn Term 1. By Spring Term, 80% of pupils will show accurate use of taught words in independent writing. Vocabulary working walls are completed and implemented by end of first half of Autumn Term.	Autumn Term Use of word of the day is now being used in the three classes, with new vocabulary being on display in classrooms. Vocabulary rich texts are used in all English lessons. This continues to be embedded through guided reading sessions. Vocabulary Ninja has also been purchased as an extra resource for staff. Spring Term Oracy lessons are planned with high quality speaking and listening opportunities provided. Children have opportunities to share their thoughts and ideas with others. World book day had an oracy focus with children using role play for story telling as well as using presenting and debating techniques. New vocabulary and word of the day is evident in every classroom. The continued use of high-quality texts continues to support the development of vocabulary.
---	--	----------	--	--	--

Actioned

					<u>Summer Term</u> Lesson observations and learning walks show that new vocabulary is explicitly taught in English lessons, in guided reading lessons as well as through the foundation subjects. Writing outcomes at the end of KS1 and KS2 demonstrate that high level vocabulary is used and in the correct context. This will remain in place next academic year through the continued use of high-quality texts.
--	--	--	--	--	---

Actioned

7. All staff to demonstrate skilled teaching of phonics using Unlocking Letters and Sounds. To monitor the quality of phonic teaching linked to expectations of the scheme in EYFS and KS1 and SEND pupils.	MS Lead EM Learning Support Assistants	On going	MS will manage time to monitor.	Consistent high-quality teaching and learning for all pupils. Clear evidence of pupil tracking to identify gaps in knowledge. These are used effectively in interventions. Small phonic groups demonstrate improved understanding and retention with a clear focus on the skills needed to improve reading. New pupils assessed quickly and interventions put in place if needed.	Autumn Term Learning walks show skilled staff teaching phonics through unlocking letters and sounds. Phonic interventions are also provided for SEND pupils. Mrs Small has also led an EYFS parent information workshop detailing the approach used in school for the teaching of phonics and early reading. Spring Term Learning walks continue to show quality first teaching of phonics. New staff have accessed unlocking letters and sounds training. New pupils are assessed quickly on arrival at school, gaps in their knowledge are identified and a programme of phonics starts straight away for these children. Reading and phonics remains a top priority in EYFS and KS1. Summer Term Lesson observations and learning walks have demonstrated high-quality teaching of phonics using Unlocking Letters and Sounds.
---	--	-----------------	--	---	--

Actioned

					Phonic results of 100% confirms that high-quality teaching is embedded. Phonics interventions remain in place for a number of SEND pupils, where progress is carefully monitored.
8. To ensure that children are assessed regularly using a phonics tracking sheet for Unlocking Letters and Sounds.	MS lead	On going	MS will manage time to monitor.	Clear evidence of pupil tracking to identify gaps in knowledge and interventions needed. High quality teaching and learning for all pupils.	Autumn Term Assessment of phonics is regular, showing clear tracking. Data for phonics screening is shared with the CEO and trustees as well as the governors through the Headteacher's report. Spring Term This remains ongoing. Summer Term Phonics tracking is well established. Transition meetings for pupil groups ensures that all assessments have been passed on to new teachers.

Actioned**On going**

9. All teachers will deliver daily spelling instruction in small steps, focusing on explicit teaching, modelling, and practice. Common Exception Words will be practiced daily at the start of each English lesson in KS2 and to form 5 a day morning routines. Teachers will use agreed strategies (e.g. highlighting patterns, quick correction routines) to ensure pupils learn a misspelt word correctly.	EM to lead All staff Lesson plans and observations will evidence regular spelling teaching in every class. Monitored through book scrutiny and spelling corrections in writing		Staff training to provide a toolkit of strategies.	By end of Autumn Term 1 strategies consistently applied across all classes. Children will learn common exception words using a range of strategies; breaking words into chunks, mnemonics, identifying the tricky part. Children will be taught spelling daily and explicitly with regular practice and reinforcement. % of pupils achieving year group expectations by the end of the year should in line with year group expectations. Good % of children will achieve greater depth in SPAG	Autumn Term Daily spelling lessons, using phonic sounds as well as spelling rules are taught every morning. Common exception words are practiced at the start of every English lesson in KS2 and teachers use quick correction routines to support pupil's misspelt words as well as highlighting the spelling pattern on boards during spelling lessons. Spring Term Spellings remain an ongoing focus for groups of children in KS2 – particular focus groups in Yr 6 and SEND pupils. A range of interventions have occurred including precision teaching, spelling detectives as well as daily lessons and daily practice. Common exception spelling lists have been shared with parents. Teachers prioritise spellings in classrooms and during 5 a day warm ups. Active live marking has a strong focus on spellings, with clear discussions about spelling rules and patterns.
--	---	--	---	---	--

Actioned

					This will remain a focus. <u>Summer Term</u> Spellings remain a continued focus for some pupil groups. Daily lessons take place alongside interventions for children that have been identified in need of greater support. This will remain an area of focus next year.
--	--	--	--	--	--

Actioned

10. All teachers will provide quality first teaching handwriting lessons, starting in reception. Handwriting will explicitly be taught at least 3 times weekly in reception and KS1 in addition to phonics. All staff will Implement “ready to write” routines (sharpened pencils, correct seating, left-handed adaptations, pencil grips) All staff will always model high-quality handwriting, on the board and in pupil’s books. Targeted handwriting interventions will be implemented for pupils in KS1 and KS2, that require further support.	EM SLT Class teachers Monitoring via: planning scrutiny, learning walks, lesson observations, book looks and intervention records	On going	Handwriting progression map Pencil grips/adapted tools Visual guides for routines CPD on teacher modelling	By Spring: Reception & KS1 pupils to have improved letter formation. By Summer: 85% of pupils achieve age-related expectations in handwriting. High standards evident across school in all written work.	Autumn Term Quality first teaching of handwriting has started in reception. Staff have adopted the ‘ready to write’ routines and work hard to model high quality writing to all children. Staff continue to model high quality handwriting on the boards and in pupils books. Spring Term This remains a continued focus across the school with a focus on ‘being handwriting ready’ using the correct pencil grip and correct seating, in line with the revised writing framework. Summer Term Handwriting across the school is strong in many pupil books. However, some children need continued support in this area as well as ensuring that high expectations are across all subjects to ensure that this is fully consistent across the school from all pupils This will remain a continued focus for groups of children.
--	---	-----------------	--	---	--

Actioned

11. Teachers to develop the use of Leah Crawford Opening Doors pedagogy of writing for a purpose using high-quality texts and modelling of writing clearly. Teachers to model planning, drafting, revising, and editing in lessons to make the writing process explicit. Teachers to demonstrate clear strategies for greater depth writing, including ambitious vocabulary, complex sentences, and sophisticated punctuation. Implement regular “think-aloud” where teachers verbalise reasoning and decision-making in writing. Establish routines where pupils observe, imitate, and then practise independently, gradually reducing scaffolding. Provide targeted modelling for pupils who need extra support and challenge for those aiming for greater depth. Monitor pupils’ writing sequences to ensure modelling leads to independent improvements.	EM ED SLT Class teachers Monitoring of lesson observations, book looks, pupil voice and moderation meetings.	Ongoing	CPD sessions with exemplars of modelling and “think-aloud” strategies High quality texts purchased. Guided writing materials and scaffolds Lesson time allocated for modelling and practice	By Spring pupils demonstrate improved application of modelling strategies in independent writing. By Summer pupils aiming for greater depth show confident use of ambitious vocabulary, sentence structures, and editing strategies. Writing sequences show clear evidence of drafting, revising, and improving in response to teacher modelling. Good % of pupils achieving year group writing expectations by the end of the year should in line with year group expectations. Good % of children will achieve greater depth in writing.	Autumn Term Teachers continue to plan English lessons through the use of high-quality texts and the clear model of ‘think aloud’ writing. Pupils’ exposure to examples of greater depth writing will remain a continued focus throughout the year in all year groups. Spring Term Writing has been assessed this term within the school and with teachers across the trust. Writing moderation took place through our Trust Cluster at Huish Episcopi Primary School with 5 other schools present. All staff had the opportunity to consider and discuss a wide range of books. Teachers and support staff have also visited Preston Primary to look at writing and those working at greater depth. New vocabulary is taught through guided reading lessons as well as during the core English lessons. Word of the day has been established across the
---	--	----------------	---	---	---

				SEND children will demonstrate independence in their writing and show accelerated progress. Pupils will demonstrate their skills across a range of genres to demonstrate their writing versatility. Children will show increasing confidence in their writing abilities.	school and words are displayed in classrooms. Writing samples show strong vocabulary choices being used across the school. Books show pupils writing for a purpose with drafting and editing skills embedded. Staff have made cross-curricular links to engage and motivate children. <u>Summer Term</u> Teachers continue to plan lessons using high quality texts and engaging learning experiences that ignite pupils' enthusiasm for writing. KS2 were externally moderated this term. The moderation process was highly successful with the moderator commenting that 'Lovington has robust internal moderation within the school; the staff are knowledgeable and are accurate in their assessment judgments.' Also stating that 'Key Stage 2 expectations are strong and accurate, and the quality of their work was exemplary: a true testament to dedication and hard work.'

12. All staff to embed reading comprehension instruction across all year groups using high-quality texts. Teachers to implement all comprehension strategies including - predicting, summarising, questioning, clarifying and inferring.	EM ED SLT Class teachers Monitoring of lesson observations, book looks, pupil voice and moderation meetings.	On going	Pupil progress in reading comprehension to be monitored through termly assessments and pupil voice surveys.	Reading outcomes are in line with or above national standards for ARE. Reading outcomes are in line with or above national standards for greater depth. Increased reading speed and stamina will increase the % of children meeting ARE and GD.	Autumn Term All classes have regular (at least x3) guided reading comprehension lessons. These lessons include a diet of prediction, summarising, questioning, ordering of events and inference tasks. Reading comprehension assessments have been completed in December, with focus groups identified. Spring Term Reading comprehension is fully embedded across all classes. This is evident in pupil books. Summer Term Reading comprehensions regularly take place in English and guided reading lessons. Reading comprehensions have also been a focus of homework tasks in KS2. Evidence of the different strategies – predictions, summarising, question types and inference skills can be seen in pupil books. Sustained stamina for reading remains a focus for a small number of SEND pupils.

PRIORITY 3: To continue to develop the curriculum across the school. To develop the progression of skills in foundation subjects, to build on pupil's subject knowledge across the school. To ensure that there is a well-planned and ambitious curriculum in place. To develop subject leadership knowledge amongst all staff, including curriculum leaders. Rationale: The curriculum provision during the academic year of 2024 - 2025 has seen rapid progress made. However, there are developments that are still needed both in the KS1 and KS2 rolling programmes with all teachers needing to develop the curriculum provision through well planned and ambitious learning experiences. The development of cycle C and D in the mixed year groups in KS2 needs to be enhanced, identifying the important knowledge that children need to know.		Success criteria • The curriculum is well-planned, identifying key skills and knowledge that pupils need to know. • Staff consider the outdoor environment to enhance curriculum development and experiences. • Staff use the timetable well to ensure that there are over-learning opportunities so that key knowledge is embedded over time. • A wider range of high-quality enrichment opportunities are to be available to pupils which extend their thinking and broaden their horizons. • The curriculum takes more account of children's individual aptitudes & interests and gives scope for independent enquiry. • The learning environment is extended further enabling the children to access learning walls that support them well in their lessons. • The use of a wide range of curriculum resources are built upon and used in lessons. • Assessment of foundation subjects show that key knowledge is embedded and remembered by pupils. • The revised curriculum ensures progression and makes meaningful cross curricula links to deepen children's understanding. • The school's website is updated and shows parents and prospective parents the ambitious curriculum. • All teaching staff take responsibility for the planning and implementation of clearly sequenced lessons. Planning documents and pupil books reflect this. • The roles of Curriculum champions (ambassadors) are developed. • Governors have a clear understanding of the strategic direction in which the school is moving.			
Sequence of tasks	Personnel	Timescale	Resourcing	Expected Outcome	Review

Actioned

1. Ensure that roles & responsibilities are reviewed for all staff. Teachers taking on the role as curriculum champions working closely together, whilst developing particular foundation subjects each.	EM MS SM	On going	Staff meeting time. INSET days CPD opportunities Leadership Time	Staff develop greater confidence and understanding of their role. Pupil voice surveys demonstrate enjoyment of provision. Assessments show deepening of knowledge by all pupils.	Autumn Term EM, MS and SM work together as curriculum champions to develop the skills and progression across the foundation subjects. Staff meeting times, INSET days and leadership time is provided as the small team take on many subject responsibilities each. Spring Term The development of the learning experiences remains on going. Staff plan exciting and engaging lessons that motivate the children. Staff work collaboratively to develop the provision of the foundation subjects. Summer Term Due to the very small team of teachers at Lovington Primary School, staff work collaboratively across most areas. Time in staff meetings is provided for teachers to review assessments, books and pupil voice interviews, enabling all staff to have a good understanding of the NC requirements across the school.
